# WHY LOCAL?

Shopfox is a platform that supports & empowers local business & small brands.

By choosing to do your gifting through our platform, you are supporting the local economy, buying sustainable and ethically produced products and you are proving that South African entrepreneurs and creatives are doing something worth backing.

Talking a big game is easy and now supporting small brands can be too - put your money where it makes a difference!

# BESPOKE BRANDING OPTIONS

We have a number of different branding options available depending on your various product choices. We know that you may want to have your own branding front and centre and we'd be so happy to make that happen!

Let's chat about different ways to make that branding as effective as possible!

We will work directly with our in-house team to ensure the end results are distinctive and perfectly tailored to your distinctive needs and desires.
